

Advance Showing Suits, Coats and Shirt Waists

The market is positively settled now on the styles for the coming Spring and Summer seasons.

The Eaton Suits are first in prominence and Coat effects are close seconds. Embroideries in Waists are the most popular ever known.

The leading cloths are Chiffons and Panamas and the most beautiful cloths in light and medium grey mixtures. Invisible Plaids and pretty Checks are in the best of taste. Lingerie, Muslin, Silk and Lace produce the most exquisite effects imaginable in Waists.

It will be an education in style for you to see the line we already have in.

To the Public in General of Barre!

Owing to the abuse of the present credit system and the immense amount of money lost from year to year, we have decided to sell for **STRICTLY CASH ON AND AFTER APRIL 1st, 1906**, goods to be paid for at our store or when delivered. We take this step believing that the consumer can save from one to five cents per pound on all goods bought from us for spot cash. Watch this space for prices. We take this opportunity to thank you all for past patronage and hope, by strict attention to business, to receive a fair share of your trade in the future.

HAMS

Did you ever taste a Ham that suited you in every respect? "I never did," you say. Well, you just try one of our Green Mountain Brand Hams and if it doesn't fill the bill come in and tell us about it and you will be the first one that one of our Hams has failed to suit. They are not too salt, neither do they lack salt; they are cured perfectly, in fact. We have had many years' experience in this work and know what a good Ham is. People who have tried our Hams say they are the equal of the best Hams made and that they are far ahead of most of them. Let us prove that statement to you as we have to many others.
